Roster Update

"DRAGON HUNTER TOUR" – Cardiff Wales

August 21-28th, 2016

Update # 9 July 28th, 2016

- Current tour group consists of 20 players & 5 tourists (see note below). **Players age range is from 44 to 80 with the average at 60.** 10 players with red shorts and one pair of Purple shorts courtesy of Norm Suvan.
- We have requested that Golden Oldies organizers provide 8 – 10 additional players and/or a small team preferably aged between 45 -60 which would bring our age average down to 55 (same as Argentina). ***Requested placement in the 50-55 age Golden Oldies Rules Group B (social but once were competitive)*** subject to provision of extra players as requested
- **Special Welcome to our official Team First Aider/Certified Massage Therapist Debie Zacharko** who has volunteered to help out with minor first aid and massage therapy/taping before and after each game. Thank you to Debie !
- **No Ashley Fester is not a stalker !** She will be following our group from start to finish at the various Oldies Events while capturing video footage on Norm Suvan's *Journey of the Purple Shorts*.

Event Cost is \$1350/person for Event Registration and kit to join the Antediluvian team. This fee **does not** include airfare/travel to Cardiff or **Hotel**. Given timing of the event **any late registrants may have to book these on their own. Check with tour manager to booking for options.**

Event Registration & Hotel

- **Team Hotel** is the [Holland Mercure Hotel](#) . They may still have rooms available, although a couple of late player registrants are staying at other hotels in the area Hotel roster/room mate assignments attached for your perusal
- Player Waiver & Rugby Canada Registrations have been received from all 20 players. Any new players joining us will need to sign up and submit to Tour Manager

Special Events

- **The Antediluvians have registered for the Game Event @ Cardiff Arms Park on Thursday, August 25th.** This should allow all of our players who want a run on the pitch with a photo under the posts the opportunity to soak up some of the history of this revered rugby facility.
- **Our tour cultural research director (Adam Stamper) has come up with a great road trip (or should I say train trip) just down the road to Swansea for their 2016 Swansea Cider & Beer festival.** It runs from Thursday evening until Saturday night so we might have to get the team on the train to Swansea on Friday or Saturday. Check it out <https://swanseacamra.org.uk/2016-beer-festival/>
