

Dear Friends of Rugby

Re: Sponsorship Opportunity- 2016 Antediluvian RFC "Dragon Hunter" Tour

The Antediluvians RFC* is an Old Boys Rugby Club rooted in Canada with many international affiliations & connections made over the past decade through our love of rugby and fellowship off the field. To continue our tradition of promoting good health and active living through the Old Boys Rugby experience, the Antediluvians RFC will participate in the **Golden Oldies International Rugby Festival in Cardiff Wales from August 21 – 28th, 2016.** (<http://www.antediluvians.com>). Current plans have at least 35 players and supporters traveling to Cardiff Wales to showcase Canadian Oldies Rugby on and off the fields with other participants from over twenty countries.

To ensure solid financial footing for the tour we are actively soliciting sponsorships & donations from businesses and individuals willing and able to support our participation at this international rugby event. Our Tour fundraising objective is \$12,000 and will be used for the purchase of playing kit/uniforms, and related equipment expenses.

Your consideration of financial support for the "Dragon Hunter" Tour to Cardiff is sincerely appreciated and recognizes that these are challenging times for most of us, so all financial support big or small is much appreciated.

If you have any questions regarding the Antediluvians Rugby Football Club, our Program or the "Dragon Hunter" Tour to Cardiff, please contact us by phone or email.

Yours In Rugby

**Reasons to Support the Antediluvian RFC "Dragon Hunter" Tour
Golden Oldies Rugby Festival August 21 – 28th, 2016 Cardiff Wales
(<http://www.goldenoldiessports.com>)**

Supports healthy active lifestyles for our members through physical activities and social involvement in their home communities. Our Club is open to any mature person who has a passion for rugby and wants to participate in our fun runs, games and social events throughout the year.

Community Involvement. In addition to continuing to remain active on the rugby pitch, many of us coach, manage and administrate youth rugby programs within our home communities. Provides excellent business networking opportunities for the many members who are independent business owners and contractors within the community.

Strong & Passionate Ambassadors for our communities, province and Canada. As the **only Canadian Rugby club** who attended the 2014 Oldies Tournament in Mar Del Plata Argentina and the 2016 Golden Oldies Tournament in Cardiff, we feel a strong sense of responsibility to showcase Canada, our home communities and what it means to be Canadian both on and off the Rugby pitch.
